**BANNING LEWIS RANCH METROPOLITAN DISTRICT NO. 8  
2022 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

The Banning Lewis Ranch Metropolitan District No. 8 (“the District”) and Banning Lewis Ranch Metropolitan District Nos. 9, 10 and 11 were formed under a Service Plan approved by the City of Colorado Springs, El Paso County, Colorado (the “City”), on August 28, 2018. The District was organized by El Paso County Court Order on December 5, 2018.

At an election held on November 6, 2018, the voters approved general indebtedness of \$75,000,000 at a maximum interest rate of 18% for each of the following improvements and services: water supply, sanitary sewer, streets, traffic and safety controls, parks and recreation, public transportation, television relay and translation. The election authorized indebtedness of \$10,000,000 for operations and maintenance, \$75,000,000 for reimbursement agreements, and \$100,000,000 for debt refunding. The voters also approved an annual increase in taxes of up to \$5,000,000 at a mill levy rate without limitation or with such limitations as may be determined by the board for the purpose of the District’s operations, maintenance, and other expenses. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution.

Pursuant to the Districts’ Service Plan filed with the City, the maximum debt mill levy for a residential district shall be 30 mills, which can be adjusted for changes in the method of calculating assessed valuation after January 1, 2006. The adjusted maximum debt mill levy is 33.398. The maximum debt mill levy for a commercial district is 50 mills. Pursuant to the Service Plan, the Districts are permitted to issue bond indebtedness of up to \$100,000,000.

The maximum operating mill levy for the payment of operating and maintenance expenses is 20 mills, which can be adjusted for changes in the method of calculating assessed valuation after January 1, 2006. The adjusted maximum operating mill levy is 22.266.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District. The calculation of property taxes is reflected on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**BANNING LEWIS RANCH METROPOLITAN DISTRICT NO. 8  
2022 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues – (continued)**

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 10% of the property taxes collected.

**Expenditures**

**Intergovernmental expenditure – Banning Lewis Ranch Metropolitan District No. 1**

Property taxes generated from the 22.266 mills levied by the District for operations and maintenance, net of fees, are expected to be transferred to Banning Lewis Ranch Metropolitan District No. 1, the Operating District, which pays all administrative expenditures of the District.

**County Treasurer's Fees**

County Treasurer's fees have been computed at 1.5% of property tax collections.

**Capital Outlay**

The District anticipates infrastructure improvements as noted in the Capital Projects fund.

**Debt and Leases**

On July 29, 2021, the District issued \$22,000,000 in Series 2021 Limited Tax General Obligation Bonds. The proceeds were used to pay for bond issuance costs and to pay for Project Costs.

The Series 2021 bonds bear interest at a rate of 4.875%, payable annually on December 1, beginning on December 1, 2021. The Series 2021 bonds mature on 2051. The District's current debt service schedule is attached.

The District has no operating or capital leases.

**Reserves**

**Emergency Reserve**

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to District No. 1, which pays for all the District's operations and maintenance costs, the Emergency Reserve for these funds is reflected in the budget of District No. 1.

**This information is an integral part of the accompanying budget.**
