INTRODUCTION

1.1 Welcome Packet Purpose

The purpose of the Northtree Rules and Regulations Packet is to provide you with all of the information you need to begin enjoying the many amenities, programs and activities available to you as a resident in your community. Each guideline has been thoughtfully established with the best interest of the community in mind with the goal of providing a safe and enjoyable environment for all residents.

Please take the time to review this packet in its entirety and let us know if you have any additional questions, concerns, or suggestions. We value your feedback, and we look forward to hearing from you.

1.2 Mission Statement

To provide exceptional services to our residents which reflect our uncompromising standards of excellence and dedication to providing opportunities for ***Building Better Lifestyles***.

1.3 History & Developer Story

Banning Lewis Ranch is a place with a lot of colorful history behind it. For almost a century, it has been a thriving cattle ranch. Now Northtree is home to residents instead of calves and foals.

From the start, the Banning Lewis Ranch team has wanted the new Banning Lewis Ranch to feel like home. This thinking guided the plan for the inaugural village, Northtree. That's why you'll find things like tree-lined streets and open-rail fences. Natural green spaces and feathery wild grasses. A new community recreation center complete with a pool, ball fields, the Banning Lewis Ranch Academy, a public K-8 charter school, and beautiful new homes in a variety of architectural styles, displaying rich character and neighborhood crafting, all interconnected by a network of trails and footpaths called "pasillos". It's the kind of place you just don't find much anymore. More good things are planned for the future of the entire Ranch, like town centers with friendly shops and restaurants, more neighborhood schools, a variety of cultural and recreational attractions and places to work or start a business. Our goal is to create a sense of community from the beginning, to honor the past and look forward to the future.

We hope you'll agree that this historically significant property is in good hands. Our goal is to find Guest Builders and employees who care about the quality of what they do. We want to include a sense of history and heritage in this master plan. And every step of the way, we want to be able to look back and be proud of what we've done together.

1.4 YMCA of the Pikes Peak Region

As part of the goal of providing our residents with the best leisure amenities and programming, we have hired YMCA of the Pikes Peak Region (YMCA) as the facility manager. The YMCA is responsible for the managing the daily operations, staff, programs, and services offered at the Northtree Ranch House and within the Northtree community. YMCA is committed to providing residents with quality

leisure experiences and is dedicated to their mission of providing opportunities for Building Better Lifestyles.

2 GENERAL INFORMATION

2.1 General Hours of Operation

Banning Lewis Ranch residents have access to The Ranch House 24/7. Please remember to bring your access key!

Please check www.banninglewisranchmetrodistrict.com/contacts.htm for the most up to date hours for the:

- Northtree Ranch House
- Northtree Backyard, Pool and Splash Area
- Vista Water Park
- Tennis Courts

Pool Closing Policies

The YMCA will close the pool when severe weather or pool maintenance requires it. Any time lightning is within a ten (10) miles radius, the pool, including all of the pool deck and showers must close for at least thirty (30) minutes. Blood borne pathogen contamination or fecal contamination will necessitate pool closing. Vomit (other than a clear substance) will necessitate pool closing. Outside temperature of 59° F or colder will necessitate pool closing. Water temperature of 70° F or colder will necessitate pool closing. Following a closing for any of the above stated reasons, the pool will remain closed until the condition requiring the closing has been resolved to the satisfaction of the YMCA.

2.2 Operating Calendar and Holidays

Holidays

The facility will be closed on the following days:

- Easter
- Thanksgiving
- Christmas Eve closed at 12 p.m.
- Christmas
- New Year's Eve closed at 12:00 p.m.
- New Year's Day

Inclement Weather

We will make every attempt to remain open during times of inclement weather; however, the facilities will be closed if the conditions are determined to be a threat to the residents and staff. The YMCA generally follows the delay and closure schedule of Falcon School District 49 (D49).

If D49 has a 2-hour delay, the Ranch House will open 2-hours later than the Regular Hours, typically by 11:00 a.m. All Group Ex and Toddler Time events will be cancelled. Group Ex classes will resume after 11:00am. We will have weather closing updates on the BLR Facebook page.

Maintenance and Closures

In an effort to achieve the highest standards of parks and amenities cleanliness and safety, there will be times when certain areas of the facility will be shut down for improvements, cleaning, and preventative maintenance. Resident understanding and patience is appreciated as efforts are made to improve and maintain the cleanliness, safety, and aesthetics of the facility. Whenever possible, maintenance days will be planned in advance and residents will be given proper notification.

Parks and amenities may be closed at the discretion of the District Manager or Board of Directors' designee. Closures will occur as necessary for maintenance, or rest and renovation following events which cause damage and reduce safety. Scheduled users will be notified in advance whenever possible. Users will also be notified on the District website and posted signage signifying the field as "closed."

The District may employ measures such as temporary fencing to isolate playing surfaces until safe use conditions are restored. In an effort to lengthen the playability and use of turf areas, the District requests that users refrain from, or limit, the use of heavy traffic wear areas during use, regardless of weather, to assist in providing the best turf conditions possible. This includes any portion of the parks and amenities showing wear due to traffic. Continued or un-repairable damage by permitted users will result in the discontinuation of use and may incur costs to remedy associated damages. Users will be notified directly of the District's intention to change, discontinue, or temporarily suspend use.

Lap Swim Etiquette – Village 1 Ranch House

1. Be prepared to share lanes.
2. Try to swim with people who have the same ability. Please respect other people's efforts.
3. Be cautious and courteous. Do not start directly in front of or behind someone approaching the wall for a turn. Give them room and drop behind.
4. Let others know you are entering the lane. If necessary, get a swimmer's attention by waving a kickboard underwater. Those already in the lane always have the right of way.

the person to pass.

7. If you are resting or waiting at the end of the lane, move out of the way to allow other swimmers full use of the wall when turning. Do not occupy the lane for socializing; exit after your workout.
