Services Provided

The Banning Lewis Ranch Metropolitan District No. 1 ("the District"), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso County, Colorado on December 1, 2005, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes).

The District was organized to provide street improvements, parks and recreational facilities, water supply, wastewater facilities, traffic and safety controls, public transportation, fire protection, mosquito control, television relay and operation and maintenance. The District, organized in conjunction with six other related Districts - Banning Lewis Ranch Metropolitan District Nos. 2-5, 6 (now Banning Lewis Ranch Regional Metropolitan District No. 1), and 7 (now Banning Lewis Ranch Regional Metropolitan District No. 2), is the Operating District which will pay all vendors of and receive reimbursement/contributions from the Financing Districts. District Nos. 2-5 and Banning Lewis Ranch Regional Metropolitan District No. 1 are the Financing Districts which will issue debt, levy ad valorem taxes on taxable properties within each District and assess fees, rates and other charges as authorized by law. Banning Lewis Ranch Metropolitan District Nos 8-11 were subsequently organized to be Financing Districts of the District with the same function as District Nos. 2-5. Banning Lewis Ranch Regional Metropolitan District will serve as the Regional Improvement District serving all of the Districts. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

During elections held on November 1, 2005, the District's voter's authorized total general obligation indebtedness of \$929,500,000 for the above listed facilities and powers as well as for refunding of debt. The elections also approved annual increases in property taxes of up to \$8,000,000, without limitation to rate, to pay the District's operations and maintenance costs. The election also allows the District to retain all revenues without regard to the limitation contained in Article X, Section 20 of the Colorado constitution or any other law.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

District Operating Fees

The District currently collects an operating fee of \$86.45 per month from homeowners of the following: Northtree Village No. 1 in District No. 2, Northtree Village No. 2 West in District No. 3, Northtree Village No. 2 East in District No. 4, Northtree Village No. 3 East in District No. 4, Village No. A1 in District No. 8, and Village No. B1 in District No. 8. No operating fee increases have been budgeted for 2025.

Intergovernmental Revenue – Operations and Maintenance Taxes

The District has entered into a District Facilities Agreement (Agreements) with each of District Nos. 2, 3, 4, 5 and 8 (the Financing Districts). Per the Agreements, each of the Financing Districts is to levy a tax for operations and maintenance and remit such tax to the District to be used to pay for a portion of the expenditures to operate and maintain the Northtree Recreation Center, swimming pool facilities, and landscaping, as well as for administrative expenditures for the Financing Districts. It is anticipated that District Nos. 2, 3, 4, 5 and 8 will levy an operations and maintenance mill levy and transfer these taxes to the District.
